

# Blackmagic Camera Setup 8.1

## About Blackmagic Camera Utility

### Welcome to the Blackmagic Camera Setup!

This installer will add Blackmagic Camera Setup software to your system so you can update the software and manage your Blackmagic Camera. It also installs Blackmagic RAW Player, Blackmagic RAW Speed Test, Blackmagic RAW SDK and Blackmagic RAW plugins.

For updating Blackmagic Cameras from Camera 4.0 or above it is advisable to export your presets and LUT's onto a card as they will be removed during this update.

### What's new in Blackmagic Camera 8.1

- Added support for new Blackmagic URSA Mini Pro 12K OLPF model.

The following models have new features.

#### Blackmagic URSA Mini Pro 12K

- Improved compatibility with Zeiss Milvus & Otus EF lenses.

#### Pocket Cinema Camera 4K, 6K, 6K G2 and 6K Pro

- Added support for automatically rotating the user interface when shooting vertical video.
- Added ability to remap the L-Fn button on MFT lenses.
- Added software update progress bar when installing new camera software.
- Added new 9x16 frame guide preset.
- Changed stills capture format from CinemaDNG to Blackmagic RAW.
- Added ability to capture Blackmagic RAW reference stills while recording.
- Added ability to capture Blackmagic RAW reference stills during playback.
- Improved lens and auto focus performance.
- Fixed bug with incorrect HDMI VIC codes being output on some formats.

#### Pocket Cinema Camera 6K, 6K G2 and 6K Pro

- Added support for zoom servo controls when using the Canon EF-S 18-135mm lens.
- Added ability to remap the shortcut buttons on Canon CN-E zoom lenses.
- Added smoother auto iris changes with supported EF lenses.
- Increased horizontal resolution of the 2.8K 17:9 format from 2868 to 2880.

### Updated Blackmagic RAW 3.0 includes:

- Adds support for Blackmagic URSA Mini Pro 12K OLPF.
- Adds support for automatically rotating vertical video clips.

### Minimum system requirements for Mac OS

- macOS 12 Monterey or later
- macOS 13 Ventura or later

## Minimum system requirements for Windows

- Windows 10 64-bit or later
- Windows 11 64-bit or later
